

PRADHYUMN SINGH GINNARE

pradhyumnginnare@gmail.com | +91 8889032108 | [Portfolio](#) | [Github](#) | [LinkedIn](#)

❖ PROFILE

Striving to harness my knowledge, skills, and opportunities to drive professional growth while contributing significantly to organizational advancement, continuously aiming for mutual success and personal fulfilment.

❖ EDUCATION

- **Master of Computer Applications | School of Computer Science & IT, DAVV, Indore**
CGPA : 7.78 (2023 – 2025)
- **Bachelor of Computer Applications | Medi-Caps University, Indore**
CGPA : 8.18 (2020 – 2023)

❖ PROJECTS

- **DocNest - [Github](#) | Flutter**
 - **Collaborative Rich-Text Editor** – Built a Google Docs-like web app using Flutter and Appwrite, featuring real-time editing, authentication, and database integration.
 - **Modern Tech Stack** – Used Riverpod for state management, Routemaster for web navigation, and Flutter Quill for rich-text editing, ensuring a structured and scalable architecture.
- **Lynkr - [Application](#) | Flutter, Firebase**
 - **Lightweight Social Media App** – Built using **Flutter and Firebase**, allowing users to authenticate and post short messages in real time.
 - **Core Features** – Implemented **Firebase Authentication** for secure login and **Cloud Firestore** for storing and displaying user-generated posts.
- **Snake Game - [Application](#) | Flutter**
 - **Classic Snake Game** – Developed a responsive **Snake Game** using **Flutter**, playable on web browsers with smooth animations and intuitive controls.
 - **Game Logic & UI** – Implemented dynamic grid-based movement, collision detection, and score tracking with a clean UI for an engaging user experience.

❖ SKILLS

- Programming Language : **Core Java, Dart, Kotlin, Python**
- Framework : **Flutter**
- Databases : **MySQL, MongoDB**
- Development Tools : **VS Code, IntelliJ Idea, Android Studio, Github**

❖ COURSE WORK

- Data Structures and Algorithm
- Database Management System
- Operating System
- Computer Networks

❖ CERTIFICATIONS

- Flutter MasterClass – Udemy
- Accenture Nordics (Software Engineering Job Simulation) – The Forage
- Alpha (DSA with Java) – Apna College
